

Friday 3rd April 2020

Dear Parents and Carers,

We have reached the end of the Spring Term, but sadly without the usual Easter services and activities. It does feel strange not to be taking part in all the usual school traditions.

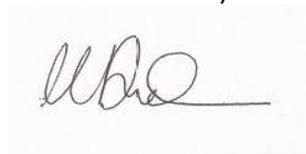

Monday will be the start of the Easter Holidays and most staff will be taking the two weeks off. This means that they won't be accessing Class Dojo until Monday 20th April. Children are still very welcome to post what they have been up to, and staff will comment on their posts when the summer term starts. If you want some ideas for activities to keep the children entertained, all classes are signed up for the Easter sum dog competition. There are also some Easter activities available and these will be posted on Class Dojo tonight or over the weekend. These are optional activities and there is no expectation that the children will complete them unless they want to.

I have been amazed by the volume of work that children have produced and the activities that they have been busy with over the past week. Amongst other things I have seen lots of beautiful rainbows, some incredible Lego structures, some very intricate bug hotels, lots of cooking and baking and some amazing videos of things such as dog agility classes! It seems that many of you have also been keeping fit with Joe Wicks, or chilling with Cosmic Yoga. Staff have completed the planning for the first two weeks of the summer term and we will post it onto the website at the end of the holidays.

Remember that if you are finding things tough, we are here and will do our best to help you. The school admin email addresses will be monitored daily throughout the holidays, so you can contact us that way if you wish to.

I wish you all a very happy and healthy Easter.

Yours sincerely

Mrs H Dudman
